Why does Fantasia require a Guarantor and what exactly is a Guarantor getting into?

The reason why Fantasia must have a guarantor is that it “lends” over \$9000.00 of merchandise to its Sales Consultants. They in turn only pay for what they sell and Fantasia again “lends” them more merchandise to bring them back up to the \$9000.00 mark. Therefore the Consultants always have about \$9000.00 in merchandise on consignment.

Although we only accept Consultants who meet certain minimum credit requirements, experience has taught us that the only way that our investment can be fully secure is by having a Guarantor. This gives us someone responsible should the Sales Consultant prove to be dishonest. It also shows that someone has enough confidence in the Consultant’s integrity and honesty to stand up for her.

When you accept to be a Guarantor, you are agreeing to pay us any money owed by the Consultant which we are unable to collect from her. If there is a problem, we will always attempt to deal directly with the Consultant. Only if unsuccessful, will we contact you.

When you agree to be a Guarantor, you are signing an agreement between Fantasia, the Consultant, and yourself. This agreement is NOT REGISTERED. This means that no other financial institution is aware of its existence and therefore it has NO IMPACT WHATSOEVER on your future credit requirements. Your ability to create lines of credit, get loans, get credit cards, lease or buy automobiles, purchase a home etc. will not be affected by you agreeing to be a Guarantor for a Fantasia Consultant.

If you need further information or clarification, please call us at 1-800-363-6068 and ask for JoAnn Bourque.

PLEASE NOTE:

The application that you are being asked to fill out is NOT a commitment to be a Guarantor, but merely gives us permission to check your credit rating.
